Boundary Umpires

Teams are to provide 1 boundary umpire for the game which immediately follows the game your team just participated in, and on the same ground. If everyone can ensure that a representative is available, it will assist greatly with the games as well reduce the amount of running on the boundary per representative.

Please note the teams who are to provide boundary umpires for Round 1, please report to Marshalls tent at 7.30am.

PLEASE REPORT TO THE MARSHALLS TENT PRIOR TO THE COMMENCEMENT OF THE GAME.

Format of the Tournament

Scheduling of Event & Games

The scheduling of games will be advertised closer to the tournament date and communicated through the AC14 media channels

Duration of Games

The Asian will consist of following game formats throughout the tournament:

GAME TYPE	FORMAT
Preliminary Matches	2 x 10 minute halves, with a 5 minute half time break (change of ends)
Semi Finals	2 x 15 minute halves, with a 10 minute half time break
Grand Final	2 x 15 minute halves, with a 10 minute half time break

Break between Games

Teams will need to leave the field immediately after the final siren, as only 5 minutes will be available between the preliminary games. Teams will need to be ready to take the field immediately after the preceding game has finished.

Number of Players per Team

16 players on the field and a maximum of 10 interchange players. A maximum of 26 players per game.

Qualification for Finals

A player must have played in at least 2 preliminary games to be eligible to play in the Semi Finals. A player must have played in at least 3 games (preliminary and/or the Semi Final) to be eligible to play in the Grand Final.

Coin Toss and Team Lists

The Captain (or representative) of each team must attend the Marshall's Tent at half-time of the game preceding theirs. Team sheets are to be submitted, and the coin toss will take place.

Important Game Rules

- All interchanges must occur through the "interchange gate".
- In the event of injury, a team may not use a 'substitute' player additional to 26 rostered player for that game.
- 25 metre penalties will apply, not 50 metres.
- Maximum of four players in the centre square for a bounce.
- Send off rule: A 10 minute sin-bin will apply for what would be a reportable offence including abusive language and time wasting. The player cannot be replaced during the 10 minutes. In the case of a particularly serious offence, the Marshalls will have the right to ban a player for the remainder of the competition. In this instance, the player can be replaced for the next game.
- Each team is permitted one team runner.

Ring In's

We do not want to see players brought into a team from outside of the club, purely to help a team's chances in the Asian Champs. The responsibility is on each team, and the following is a guideline:

ACCEPTABLE A former player of the club who has relocated to another country and is touring with the team.

UNACCEPTABLE A player who has not played with the team before and is brought in for the Asian Champs specifically because of his playing ability.

Awards

The following awards will be presented at the Clark Parade Ground after the Grand Final:

- Asian Championship Cup to the winning team
- Player of the Championships
- Leading Goal Scorer
- Player of the Grand Final
- Awards to the All Asian Team

All Asian Team

An 'All-Asian' team will be presented with awards at the presentation ceremony after the Grand Final. As is the practice each year, teams will be asked to nominate players from their own team. The number of players each team may nominate will depend on their finishing position in the tournament. Teams will be provided with details on the day.

Asian Champs Sprint

The 'Asian Champs Sprint' will take place between the final Preliminary Round and the Semi Finals. Each team is expected to nominate one of their players to participate and find out who the fastest man in Asian footy is.

Asia's Longest Kick

Who has the longest kick in Asia, we will find out at the Champs where a representative from each team will take their chance to out kick other teams to become the longest kick in Asia.

Boat Races

Boat Races will take place between the Semi Finals and the Grand Final. Five members from each team are required.

Disclaimers

Whilst every effort has been made to ensure player safety, each player is required to indemnify both PAFL and the Clark Development Corporation against any claim whatsoever for any injury sustained during the tournament. Forms for this purpose will be distributed to all teams upon arrival.

Insurance: It is important to note that team entry fees **do not** cover player insurance. This is the responsibility of each individual or team and should be arranged before participants depart their country of residence.

Data in this Prospectus is correct at the time of issue. If circumstances subsequently arise which generate changes to the procedures and arrangements set out in this document, PAFL reserves the right to implement any variations which it deems appropriate and are within the spirit of organising a successful Australian Rules Football tournament.
